Washington, D.C. 20231

TECH CENTER 1600/2900

RESPONSE UNDER 37 CFR 1.111

Dear Sir:

In response to the Office Action of April 16, 2002, please amend this application as follows:

In the claims:

Please cancel claims 1 and 5-10 and add claims 11-³⁰~~18~~ as follows:

11. (new) A test kit for determining qualitatively or quantitatively the presence of an analyte in a fluid sample, said test kit comprising:

- F
- (a) an assay device, said assay device having a detection zone, wherein the presence of the analyte in the fluid sample is indicated by accumulation of a labeled reagent within the detection zone; and
 - (b) a reading device effective to detect labeled reagent, said reading device comprising means for initiation of the reading device to detect labeled reagent in the detection zone,

I hereby certify that this paper and any attachments named herein are being deposited with the US Postal Service as first-class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231 on 10/10/02.
